Dear Mr. Marzion:

I am aware that according to Sections 16642 and 7513.7 of the Government Code, the prescribed divestment of any pension investments subject to the provisions of the California Public Divest from Iran Act is now underway.

With the June 30 deadline for determining which companies are subject to divestment now past, I am interested in knowing the details of the results of your investigation.

California is united in taking action to protect public employees' pensions from being risked in Iranian business operations. Your cooperation is vital to ensuring that our state's retirement investments are secure.

I look forward to receiving your timely response.

Sincerely,

Joel Anderson
Assemblyman
